EXECUTIVE DIRECTOR'S REPORT

October 26, 2016

BUILDINGS/OCCUPANCY:

Riverview Terrace - Currently at full occupancy.

<u>Orchardview</u> – We still have one vacancies. We did not fill one of the two vacancies from last month because several qualified families elected to not move in to the available unit.

FINANCIAL:

This month's financial reports represents the end of the 1st quarter of our fiscal year. Revenue and Expenditures are in line with the expected budget which is around the 25% threshold. Our auditors came went without much fanfare! There should no findings on our year-end report. We do, however, maintain a rather large surplus and may have opportunities to reinvest some of that into our properties.

PROJECTS (This is a list of projects that are on-going or recently completed):

- Riverview Landscaping: We have completed all aspects of this project for 2016. Benches are
 installed, grass and trees are planted. We even removed the boom from the water. We just
 got the photographers work on the stump carving which we will utilize in a dedication ceremony
 in the near future.
- Office IT: Phase I of the camera project is up and running!
- Uptown Development: As mentioned above, we removed Uptown's construction boom from the water that we borrowed during the stump carving.
- Orchardview Phase II: No change in status.
- Housing Development: Met with a potential development partner that wants to work in the region. Revisited the Hastings Street property with NMCAA and had a quick conversation with the realtor for that property. Submitted a letter of intent to the trust that holds Morgan Farms II property – and authorized a small feasibility study on this property too.
- Advocacy: Developed and hosted a Legislative Breakfast at the Housing Summit and moderated a "conversation" between the 1st Congressional Candidates Jack Bergman and Lon Johnson.
- Office Management: All new staff persons are settling in to their roles rather nicely. JoAnn last day will be November 8. The redesign of the office is moving forward and the end result will allow us to better serve the public and provide for a more productive work environment.
- Strategic Planning: Preliminary work on our December Strategic Planning update session.

The annual e-logic grant update was submitted last week and has been accepted by our HUD FSS contact Patricia Hairston. This is a reporting model that gives HUD an overall program update for the reporting period of Jan to Dec for the previous grant cycle.

MEMO: TCHC, TRAVERSE CITY HOUSING COMMISSION

DATE: October 25, 2016

A busy month and we will close out with a Halloween Party. We are at last winding down the Council Election process with the help of Mary Grober, of the League of Women Voters. Having their assistance with this election will also help us amend the By-laws to simplify the Election Process.

We had our Council Meeting as scheduled and a Special Meeting on September 23 regarding the reappointment of the Resident Member of the TCHC. After discussion concerning the current Member and the lack of her communication with or support of the Council and Association office it was voted to send a letter to the Mayor of Traverse stating Non Support for the reappointment of Jo as our representative. (See Attached).

The flu shot clinic held in our community room by CVS was a success and will be an annual process. Next year we will include the Pneumonia shot and necessary boosters.

The normal activities took place for the month and we are making plans for the Holiday and winter activities. We were informed by the Country Club we will again this year received 12 Turkeys from them for the meals.

Funds were approved for the purchase of a WII game which will afford a variety of new inside activities.

Our Grant request to the Sunshine Club of the Rotary was once again declined but will be submitted again in the Spring.

MEMORANDUM

DATE: October 28, 2015

TO: All Commissioners of the Traverse City Housing Commission

FROM: Tony Lentych, Executive Direct

SUBJECT: Pet Policy Update

MESSAGE:

Attached you will find the final draft version of our Pet Policy. We have twice convened the Governance Committee to review and discuss this policy. Significant changes are highlighted and have been favorably received. I believe that all major concerns of our residents have been addressed in some manner. Additionally, conversations during this process has led us to realize that we will also need to update our "Reasonable Accommodation" Forms regarding all assistance animals. We plan to complete this prior to the policy taking effect.

TCHC staff, therefore, recommends adoption of the following:

RESOLUTION TO ADOPT THE PET POLICY

October 28, 2016

WHEREAS, the Traverse City Housing Commission has made it a priority to review and update all Policies and plans that govern all of its operations; and

WHEREAS, the Pet Policy was last reviewed in 2012 and was in need of a review and update and was twice brought before the Governance Committee for significant resident input; and

WHEREAS, the Traverse City Housing Commission has reviewed the proposed changes to the Pet Policy; and

WHEREAS, the TCHC concurs in the recommendation of the Executive Director and staff.

NOW, THEREFORE, BE IT RESOLVED by the Traverse City Housing Commission as follows:

The Pet Policy is hereby adopted as presented by the Traverse City Housing Commission effective January 1, 2017 and with the appropriate approvals from our legal counsel.

Traverse City Housing Commission DRAFT Pet Policies & Procedures

- A. Purpose. The Traverse City Housing Commission (TCHC) allows for common and appropriate pet ownership in its developments with the written pre-approval of the Housing Commission. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Traverse City Housing Commission harmless from any claims caused by an action or inaction of the pet. Pets are entirely the responsibility of its resident owner and are not the responsibility of TCHC or any other resident.
- B. <u>Definitions</u>. TCHC distinguishes between types of Assistance Animals and pets with these definitions:
 - 1. **Service Animals**: A service animals is any animal individually trained and certified to do work or perform tasks for the benefit of a resident with a disability.
 - 2. Companion Animals: A companion animal, or a therapy animal, is an animal selected to play an integral part of a resident's treatment process the animal does not have to be trained to provide comfort or do any tasks. A Section 504 Accommodation Request form completed by a counselor or physician is required prior to the registration of a companion animal.
 - 3. Common & Appropriate Household Pets: All non-assistance animals covered by this policy.
- C. Policy. The following are the policies that guide and govern the allowances for pets:
 - ALL Pets and Animals MUST be either Registered and/or Approved! Residents must have
 prior approval of the Housing Commission before moving any type of pet or animal into
 their unit. Approval may be denied when resident fails to comply with this requirement.
 The Resident must provide to the TCHC a photograph, preferably in color, of the pet so it
 can be identified if it is running loose. TCHC approval must be granted before any pet can
 be brought onto the property.
 - a. Exclusions. Parts of this policy MAY not apply to animals that are used to assist persons with disabilities. Assistance Animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner (including cleaning up after the pet), and to refrain from disturbing their neighbors. Owners of assistance animals must provide all required "registering" documentation (found on page 5) and must maintain their units and associated facilities in a decent, safe and sanitary manner (including cleaning up after their pet), and to refrain from disturbing their neighbors.
 - 2. TCHC allows only certain types of pets and can limit the number of pets you own. The Traverse City Housing Commission will allow only common and appropriate household pets. This means only domesticated animals such as a dog, cat, bird(s), or fish in aquariums (not to exceed 20 gallons), hamster/gerbil (in a cage). Exotic pets are such as snakes, etc., are

prohibited. If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

- a. Only one (1) pet/animal or fish aquarium per unit allowed. This means only one cat, one dog, one fish aquarium up to 20 gallons in size (the number of fish is not important), up to two (2) birds in a cage, one hamster/gerbil per unit. More than one pet/animal in a unit is prohibited.
- b. Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs or fish such a piranhas will not be allowed.
- c. No animal may exceed 25 pounds in weight at full adult size.
- d. Residents may not own a pet without fully complying with this Policy. Adopting a pet presents the opportunity for companionship, affection, work, and expense.
- 3. All pets must under the care of a veterinarian. In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws and must be licensed. A certification signed by a licensed veterinarian shall be annually filed, at time of recertification, with the Traverse City Housing Commission to attest to the inoculations.
 - a. All dogs and cats must be spayed or neutered before they are six months old. A licensed veterinarian must verify this fact.
- 4. All pet owners are financially responsible for their pets. Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Traverse City Housing Commission reserves the right to exterminate and charge the resident.
 - a. The following fees also apply to all pets:
 - ORCHARDVIEW ONLY: A monthly pet fee of \$5.00 will be charged Residents who
 have a pet in their household. Damage to the premises shall be the fiscal
 responsibility of the resident over and above the non-refundable pet rent fee.
 - **RIVERVIEW ONLY**: A pet deposit of \$100.00 will be charged Residents who have a pet in their household. (Payment plan available).
 - A waste removal charge of \$5 per occurrence will be assessed against pet owners who fail to remove pet waste in accordance with this policy.
- 5. **Pets SHALL NOT be a nuisance or threat to health or safety**. The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.
 - a. Repeated substantiated complaints by neighbors or Housing Commission personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

- b. Pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.
- D. <u>Procedure & Rules</u>. The following are the procedures that apply to all pets that help to maintain TCHC properties:
 - Pets must be kept in designated areas. Pets must be kept in the owner's apartment or on a leash and under the control of the resident or other responsible person at all times when outside the unit. No outdoor cages may be constructed and pets may not be tied up outside the unit. Pets will be allowed only in designated areas on the grounds of the property if the Traverse City Housing Commission designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.
 - a. With the exception of assistive animals, no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms and offices. Pets will be allowed in the lobby and hallways only for the purpose of ingress and egress. Pet owners may stop to briefly visit with their neighbors while in the lobby or television room area but shall not be allowed to sit for any length of time in these areas with the pet. Pets shall not be in the common areas of the building at any other times.
 - b. To accommodate residents who have medically certified allergy or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our buildings. This shall be implemented based on demand for this service.

 - a. At no time may a resident "pet sit" for non-resident's pet(s).
 - b. No animals allowed to be kept in parked cars on TCHC property.
 - 3. Pets may not be left unattended in a dwelling unit for over 9 hours. If the pet is left unattended, is in distress, and no arrangements have been made for its care, the Housing Commission may contact the emergency pet caregiver but also has the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

4. Other Miscellaneous Rules:

- a. Pet bedding shall not be washed in any common laundry facilities.
- b. Residents must take appropriate actions to protect their pets from fleas and ticks.
- c. Pets cannot be kept, bred or used for any commercial purpose.
- d. Dog owners shall be required to attend mandatory "training" courses when the courses are provided on-site. The purpose of these courses will be to assist the pet owner with proper communal living skills between pets and neighbors. All dog owners will be notified individually when the classes are scheduled.
- e. Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter must be secured inside a double bag and then shall be disposed of by placing securely tied bag

- into the waste receptacle chute on the third floor. [STILL WORKING WITH MAINTENANCE!]
- f. A pet owner shall physically control or confine his/her pet during the times when Housing Commission employees, agents of the Housing Commission or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.
- g. During the certain times of the year, the TCHC contracts to have the lawns fertilized. The materials used to fertilize can cause sickness to pets and to humans. The TCHC alerts all residents when fertilizing will take place and indicates that pets and humans should not be on the grass until the application has dried. As the owner of a pet, you agree to hold the TCHC harmless and take full responsibility for your pet and your actions should you allow your pet on the grass after fertilizing and the pet becomes ill.
- E. Removal of Pets/Animals. A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Commission. The pet owner may also be subject to termination of his/her dwelling lease.
 - 1. If any pet or animal causes any harm to any person or other animal, the pet's owner shall be required to permanently remove the pet or animal from the Housing Commission's property within 24 hours of written notice from the Housing Commission. The pet owner may also be subject to termination of his/her dwelling lease.
 - The Traverse City Housing Commission, or an appropriate community authority, shall
 require the removal of any pet from a site if the pet's conduct or condition is determined to
 be a nuisance or threat to the health or safety of other occupants of the project or of other
 persons in the community where the project is located.
 - 3. In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the Traverse City Housing Commission has permission to call the emergency caregiver designated by the resident or the local Animal Control Department to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner or their estate.
- F. <u>Acknowledgement & Agreement</u>. Each and every pet owner shall be required to read and sign this policy prior to the admittance of any pet.

SUBJECT:

Follow-up to the Special Meeting of October 14, 2016

MESSAGE:

After the presentation from our attorney, Ward Kuhn, at our Special Meeting of October 14, 2016, the Executive Committee met to discuss potential next steps. After careful consideration of all of the facts presented, it was decided that the Traverse City Housing Commission should take a position on City Proposal 3 which is on the ballot on November 8, 2016.

Therefore, TCHC Executive Committee recommends adoption of the following:

RESOLUTION OPPOSING THE PASSAGE OF CITY PROPOSAL THREE (3) ON NOVEMBER 8, 2016 October 28, 2016

WHEREAS, the Traverse City Housing Commission (TCHC) is a Michigan Municipal Corporation and Public Housing Authority, Chartered by the City of Traverse City Commission under Michigan Public Act 18 of 1933, as amended through City Ordinance 274.01 et seq.; and

WHEREAS, the TCHC owns and operates a Riverview Terrace at 150 Pine Street as a public housing facility including a 10-story building in excess of 60 feet in height; and

WHEREAS, the TCHC commissioned a feasibility study to construct another affordable housing structure building at 150 Pine Street that would be a building over 60 feet in height; and

WHEREAS, the TCHC supports the rights of all Riverview Terrace Residents to participate in the public referenda regarding City Proposal 3 and other ballot measures; and

WHEREAS, the TCHC encouraged and supported the development of the Riverview Terrace Resident Council (RTRC) and continues to facilitate its functions under 24 C.F.R. 964.135; and

WHEREAS, the TCHC has contacted RTRC Spokespersons to receive the Resident Council's official policy position on the City Proposal 3; and

WHEREAS, the TCHC has serious concerns as to the added costs to our proposed developments should City Proposal 3 be implemented; and

WHEREAS, the TCHC has discovered that the passage of Enrolled Senate Bill No. 571 amending the Michigan Campaign Finance Act may, in fact, complicate our ability to fully participate in any election required by City Proposal 3; and

WHEREAS, the TCHC finds that City Proposal 3 would add unnecessary uncertainty to our ability to perform our mission and strategic plan; and

WHEREAS, the TCHC finds that community participation and involvement processes currently exist in the administrative procedures set forth by the City Planning Commission and City Commission for approval of buildings greater than 60 feet in height; and

WHEREAS, the TCHC concurs in the recommendation of the Executive Committee.

NOW, THEREFORE, Be It Resolved by the Traverse City Housing Commission as follows:

The Traverse City Housing Commission opposes the passage of City Proposal 3.
