#### **INDEPENDENT AUDITOR'S REPORT**

To the Board of Commissioners Traverse City Housing Commission Traverse City, Michigan

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the business-type activities of the *Traverse City Housing Commission*, a component unit of the City of Traverse City, Michigan, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Housing Commission's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the *Traverse City Housing Commission*, as of June 30, 2020, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis (pages 4 to 9) be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### **Other Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the *Traverse City Housing Commission's* basic financial statements. The financial data schedules and schedule of federal expenditures are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The financial data schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance), and is also not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 25, 2020 on our consideration of the *Traverse City Housing Commission's* internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the *Traverse City Housing Commission's* internal control over financial reporting and compliance.

Management's Discussion and Analysis (MD&A) For the Year Ended June 30, 2020

As management of the Traverse City Housing Commission we offer readers of this audit report this management's discussion and analysis of the Traverse City Housing Commission's financial activities for the fiscal year ended June 30, 2020. This discussion and analysis of the Traverse City Housing Commission's financial performance should be read in conjunction with the auditor's report and the following financial statements.

The combined financial statements reflect all of the Housing Commission's federally funded programs and activities in one place. The Housing Commission reports all its activities and programs using the Enterprise Fund type model. HUD encourages PHAs to use this accounting method as it is normally used to account for "business-type activities" – activities similar to those found in the private sector. Enterprise Funds use the accrual method of accounting, the same accounting method employed by most private-sector businesses. Under this method, revenues and expenses may be reported as such even though no cash transaction has actually taken place.

#### FINANCIAL HIGHLIGHTS

The term "net position" refers to the difference between assets and liabilities. The Housing Commission's total net position at year-end was \$1,999,321. The net position decreased by \$44,733, or 2.2% from the prior year.

Revenues and contributions for the Housing Commission were \$2,561,871 during the year. This was an increase of \$267,386 or 11.7% from the prior year.

Expenses for the Housing Commission were \$2,606,604 during the year. This was an increase of \$119,224 or 4.8% from the prior year.

HUD operating grants were \$1,775,093 during the year. This represents an increase of \$195,708 or 12.4% from the prior year. Capital contributions were \$53,376 during the year. This was a decrease of \$7,115 or 11.8% from the prior year.

#### **OVERVIEW OF THE FINANCIAL STATEMENTS**

This annual report contains this *Management's & Discussion Analysis*, the *Basic Financial Statements* and the *Notes to the Financial Statements*. This report also contains the Financial Data Schedule (FDS) as referenced in the section titled *Other Supplementary Information*. The Housing Commission's financial statements are presented as fund financial statements because the Housing Commission only has a proprietary fund.

#### **Required Financial Statements**

The *Statement of Net Position* includes the Housing Commission's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations of the Housing Commission's creditors (liabilities). It also provides the basis for evaluating the liquidity and financial flexibility of the Housing Commission.

Management's Discussion and Analysis (MD&A) For the Year Ended June 30, 2020

All of the current year's revenues and expenses are accounted for in the *Statement of Revenues*, *Expenses and Changes in Fund Net Position*. This statement measures the success of the Housing Commission's operations over the past year and can be used to determine whether the Housing Commission has successfully recovered all its costs through its user fees and other charges, profitability and credit worthiness.

The final required financial statement is the *Statement of Cash Flows*. The statement reports cash receipts, cash payments and net changes in cash resulting from operations, investing and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period.

#### Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements and provide more detailed data.

#### Other Supplementary Information

This report also contains the Financial Data Schedule (FDS) as referenced in the section of *Other Supplementary Information*. HUD has established Uniform Financial Reporting Standards that require Housing Commissions to submit financial information electronically to HUD using the FDS format. This financial information was electronically transmitted to the Real Estate Assessment Center (REAC) and is required to be included in the audit reporting package.

The Financial Data Schedule reports the Housing Commission's operations in more detail. The Housing Commission reports all its activities using Enterprise fund types. These funds are used to show activities that operate more like commercial enterprises.

#### FINANCIAL ANALYSIS

Over time, changes in net position may serve as a useful indicator of the Housing Commission's financial position. As stated in the following table, assets exceeded liabilities by \$1,999,321 at the close of the fiscal year, a decrease of \$44,733. The decrease in net position was primarily attributed to normal business fluctuations from year to year.

The unrestricted net position was \$660,594 at year-end. This amount may be used to meet the Housing Commission's ongoing obligations. The Housing Commission had net position classified as restricted in the amount of \$75,000 which is subject to external restrictions on how the funds may be used. The amount of restricted net position is restricted for an investment in a joint venture. At the end of the year, the Housing Commission is able to report positive balances in all categories of net position. The same situation held true for the prior fiscal year.

#### Management's Discussion and Analysis (MD&A) For the Year Ended June 30, 2020

	2020	2019
Current and other assets	\$ 948,969	\$ 888,702
Capital assets not being depreciated	297,665	297,665
Capital assets being depreciated, net	 1,392,669	 1,553,192
Total assets	 2,714,303	 2,739,559
Liabilities, current	353,452	266,879
Liabilities, noncurrent	 361,530	 428,626
Total liabilities	 714,982	 695,505
Net investment in capital assets	1,263,727	1,356,649
Restricted	75,000	101,865
Unrestricted	 660,594	 585,540
Total net position	\$ 1,999,321	\$ 2,044,054

The net decrease in total assets was due in large part to a net decrease in capital assets.

The decrease in total liabilities was due in large part having made the required debt payments.

The largest portion of the Housing Commission's net position reflects its investment in capital assets (e.g. land, buildings and equipment) less accumulated depreciation, net of related debt. The Housing Commission uses these capital assets to provide service and consequently these assets are not available to liquidate liabilities or other spending.

While the Statement of Net Position shows the balances in net position, the Statement of Revenues, Expenses and Changes in Fund Net Position provides answers as to the nature and source of these changes.

Net position – end of the year	<u>\$</u>	1,999,321	<u>\$</u>	2,044,054

#### Revenues:

As shown in the above table, total revenues increased by \$267,386, due in large part to increases in grants from HUD. Other revenue increased during the year which is attributed to an increase in management fees the Housing Commission is receiving for contracts with other Public Housing Agencies.

#### Expenses:

Total expenses increased \$111,971 or 4.5% from the prior year, due in large part to an increase in costs associated with converting the public housing units to tax credits along with an increase in maintenance type expenses.

#### CAPITAL ASSETS

The Housing Commission's investment in capital assets, net of related debt at the end of the year was \$1,263,727. This investment in capital assets includes land, buildings, improvements, and equipment.

#### Management's Discussion and Analysis (MD&A) For the Year Ended June 30, 2020

Total net capital assets	<u>\$ 1,690,334</u> <u>\$</u>	1,850,857	

Capital assets, net of accumulated depreciation decreased by \$160,523, because the amount of depreciation expense charged (\$190,108) exceeded the amount expended for replacement of capital assets (\$29,585).

Additional information regarding the Housing Commission's capital assets is presented in the footnotes to the financial statements.

#### DEBT ACTIVITY

At year end, the Housing Commission had \$426,607 in long-term debt outstanding compared to \$494,208 in the prior year. The decrease is a result of the Housing Commission making its normal required debt service payments.

#### ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

As currently structured, the Housing Commission is primarily dependent upon HUD for the funding of operations as well as capital needs. Therefore, the Housing Commission is affected more by the Federal Budget than by local economic conditions. At any time, the funding of programs could be significantly affected by the Federal Budget or by a Government Shutdown.

Although the Housing Commission remains concerned about the future levels of HUD funding due to the State of the Federal budget, we feel that we are both financially and operationally in a strong position to continue to provide safe, sanitary, and decent housing to our residents for the foreseeable future.

Management's Discussion and Analysis (MD&A) For the Year Ended June 30, 2020

In 2021 the Traverse City Housing Commission will continue its work on the Rental Assistance Demonstration (RAD) program for HUD. This will include preparing for a significant rehabilitation of Riverview Terrace. TCHC has been awarded 9% Low Income Housing Tax Credits for this project and expects to begin all construction in the summer of 2021.

TCHC has elected to continue both a management agreement and a maintenance agreement for the Elk Rapids Housing Commission. ERHC owns Noble Pines Apartments, a 20-unit senior housing development in the Village of Elk Rapids. TCHC staff provides technical and management assistance to ERHC on a weekly basis along with basic maintenance services. In September of 2020, TCHC and ERHC signed new agreements that will extend until 2022.

East Bay Flats, a 67-unit apartment building owned by TCHC, began leasing in 2019 and is successfully operating at or near capacity. TCHC maintenance staff continues to provide contractual services to this property as well.

Finally, TCHC continues its efforts to house as many participants as possible, in order to maximize rent subsidy and Section 8 HCV Administrative Fees, within the authorized budget authority and decrease expenses for all programs whenever possible.

#### Notes to Financial Statements

For the Year Ended June 30, 2020

#### **NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies adopted by the *Traverse City Housing Commission* (the "*Housing Commission*") conform to accounting principles generally accepted in the United States of America (U.S. GAAP) as applied to governmental entities.

The Housing Commission reports as a business-type activity, as defined by the Governmental Accounting Standards Board Statement No. 34, with programs and projects.

#### **Reporting Entity**

The *Traverse City Housing Commission* was formed by the Commission of the City of Traverse City, Michigan under Public Act 18 of 1933 of the State of Michigan. The Housing Commission operates under a Board of Commissioners appointed by the City Mayor. Members of the Housing Commission Board may be removed by the City only for cause. The Housing Commission determines its own budget (subject to federal approval), sets rental rates and may issue debt in its own name. The City is not responsible for deficits or liabilities of the Housing Commission. However, the Housing Commission makes annual payments "in lieu of taxes" to the City. Therefore, a financial benefit exists for the City, thereby requiring that the *Traverse City Housing Commission* be reported as a discrete component unit of the City of Traverse City, Michigan.

The Housing Commission's financial reporting entity is comprised of the special purpose government. In determining the financial reporting entity, the Housing Commission complies with the provisions of GASB Statement No. 14, as amended by GASB Statement No. 39, "*The Financial Reporting Entity*" and includes all component units, if any, of which the Housing Commission appoints a voting majority of the units' Board; the Housing Commission is either able to impose its will on the unit or a financial benefit or burden relationship exists. There are no agencies, organizations or activities that meet the criteria.

These financial statements include all activities of the Housing Commission, which include a Low Income Housing Program (136 units) and Section 8 Vouchers (208 units). These programs receive subsidies and annual contributions from the U.S. Department of Housing and Urban Development ("HUD").

#### **Measurement Focus and Basis of Presentation**

The economic resources measurement focus and the accrual basis of accounting are used in preparing the financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Housing Commission are federal grants and charges to

Notes to Financial Statements

For the Year Ended June 30, 2020

customers for services. Operating expenses include housing assistance payments, administrative expenses, tenant services, utilities, maintenance, insurance and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses. Following is a description of the Housing Commission's programs:

Project MI080000001 accounts for the revenue and related operations of the Public and Indian Housing grant and the Capital Fund Program.

PH CARES Act Funding 14.PHC accounts for the revenue and related operations pertaining to CARES funding for Public and Indian Housing.

14.871 Section 8 Housing Choice Vouchers Programs, accounts for the revenue and related operations of the Section 8 vouchers grant program.

HCV CARES Act Funding 14.HCC accounts for the revenue and related operations pertaining to CARES funding for the Section 8 Housing Choice Vouchers Program.

When both restricted and unrestricted resources are available for use, it is the Housing Commission's policy to use restricted resources first, then unrestricted resources as they are needed.

#### Assets, Liabilities and Equity

#### Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand, deposits in demand and time deposit accounts, money market deposits and certificates of deposits with original maturities of less than 90 days.

Cash and cash equivalents – restricted on the Statement of Net Position has been restricted for unspent loan proceeds, FSS escrow and unspent CARES Act funding.

#### **Receivables and Payables**

All receivables and payables are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible.

#### **Prepaid Expenses**

Certain payments to vendors reflect costs applicable to future fiscal years and are recorded as prepaid expenses.

#### **Investment in Joint Venture**

The Housing Commission has a \$75,000 investment with TCWFH, LLC. of which it owns 51%. It is expected that TCWFH, LLC will not have any significant financial activity to report in the Housing Commission's financial statements.

#### Notes to Financial Statements

For the Year Ended June 30, 2020

#### **Capital Assets**

Capital assets, which include property, buildings and equipment, are reported in the financial statements. Capital assets are defined by the Housing Commission as assets with an initial, individual cost of more than \$1,500 and an estimated useful life in excess of two years. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Depreciation is recorded using the straight-line method over the following estimated useful lives:

Buildings	10 to 40 years
Furniture, equipment and machinery – dwelling	7 years
Furniture, equipment and machinery – administration	5 to 10 years

#### **Compensated Absences**

It is the Housing Commission's policy to permit employees to accumulate a limited amount of earned but unused sick leave and vacation days. Employees of the Housing Commission are permitted to carryover 24 hours of unused sick days from one year to the next. Liabilities are recorded based on historical trends using short-term and long-term liabilities. Upon separation from the Housing Commission, employees will be paid their balance of unused vacation days.

#### **Other Current Liabilities**

This balance consists mainly of amounts held in the Family Self Sufficiency Escrow account.

#### **Unearned Revenue**

Unearned revenue represents tenant revenue for the subsequent year that was collected prior to the end of the current fiscal year and unspent CARES Act funding

#### Equity

Equity is classified as net position and reported as the following components:

*Net investment in capital assets* - Consists of capital assets, net of accumulated depreciation reduced by the outstanding balances of any bonds, mortgages, notes or other borrowing that are attributable to the acquisition, construction, or improvement of those assets.

*Restricted net position* – Consists of the Housing Commission's original investment in partial ownership of TCWFH, LLC, a Michigan limited liability company.

Notes to Financial Statements

For the Year Ended June 30, 2020

*Unrestricted net position* - Consists of all other equity that does not meet the definition of "restricted" or "net investment in capital assets".

#### **Revenues and Expenses**

Operating revenues and expenses are those that result from providing services and producing and delivering goods and/or services. Also included, all revenue and expenses not related to capital and related financing, noncapital financing, or investing activities. Expenses are classified as operating and nonoperating and are sub-classified by function, such as salaries, supplies, and contracted services.

#### Estimates

In preparing financial statements in conformity with U.S. GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **NOTE B - DETAILED NOTES ON TRANSACTION CLASSES / ACCOUNTS**

#### **Deposits and Investments**

At year-end, the carrying amount of the Housing Commission's deposits was as follows:

		Carrying Amount	
Financial Statement Captions Cash and cash equivalents Cash and cash equivalents – restricted Cash – tenant security deposits Investments	\$	645,111 162,810 36,781 54,081

#### **Deposit and Investment Risk**

State law limits the allowable investments and the maturities of some of the allowable investments as identified in the following list of authorized investments.

• Bonds, securities, other obligations and repurchase agreements of the United States, or an agency or instrumentality of the United States

#### Notes to Financial Statements

#### For the Year Ended June 30, 2020

- Certificates of deposit, savings accounts, deposit accounts or depository receipts of a qualified financial institution
- Commercial paper rated at the time of purchase within the 2 highest classifications established by not less than 2 standard rating services and that matures not more than 270 days after the date of purchase
- Bankers acceptances of United States banks
- Obligations of the State of Michigan and its political subdivisions that, at the time of purchase are rated as investment grade by at least one standard rating service
- Mutual funds registered under the investment company act of 1940 with the authority to purchase only investment vehicles that are legal for direct investment by a public corporation
- External investment pools as authorized by Public Act 20 as amended through December 31, 1997

#### Interest Rate Risk

The Housing Commission's investment policy does not have specific limits in excess of State law on investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

#### Credit Risk

The Housing Commission's investment policy does not have specific limits in excess of State law on investment credit risk. At year-end, the Housing Commission had no investments and was therefore, not exposed to credit risk.

#### Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the Housing Commission's deposits may not be returned. State law does not require and the Housing Commission does not have a policy for deposit custodial credit risk. At year-end, the Housing Commission's entire bank balance of \$912,318 was not exposed to custodial credit risk because it was insured under FDIC.

#### Concentration of Credit Risk

State law limits allowable investments but does not limit concentration of credit risk. The Housing Commission's investment policy does not have specific limits in excess of State law on concentration of credit risk. At year-end, The Housing Commission had no investments and was therefore, not exposed to concentration of credit risk.

#### **NOTE C - OTHER INFORMATION**

#### **Concentration of Revenue**

The Housing Commission is dependent upon HUD to fund its operations through operating subsidies and capital funding grants. Total revenue received from HUD for 2020 and 2019 was \$1,828,469 or 71% and \$1,639,876 or 71% of revenue, respectively.

#### **Contingencies**

Under the terms of certain Federal and State grants, periodic audits are required and certain costs may be questioned as not representing appropriate expenditures under the terms of the grants. Such audits could lead to reimbursement to the grantor agencies. Housing Commission management believes disallowances, if any, would be minimal.

**Notes to Financial Statements** 

For the Year Ended June 30, 2020

#### **Risk Management**

The Housing Commission is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets, errors and omissions, injuries to employees and natural disasters. The Housing Commission maintains commercial insurance covering each of these risks of loss. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Housing Commission. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

#### **Employee Benefit Plan**

The Housing Commission participates in a 457 Deferred Compensation Pension Plan covering full-time employees that have completed a six-month probation period. Employees are not required to contribute to the Plan, however, if they do participate, the Housing Commission matches the employee contribution to the Plan up to 3% of the employees gross salary. Once a year, the Housing Commission contributes 4% of gross wages to the Plan for all full-time employees, whether or not they participate. Upon separation, accrued funds remain the property of the employee. During the fiscal year the Housing Commission contributed a total of \$22,013 and employees contributed \$11,616 to the Plan.

#### **Capital Fund Program**

The Housing Commission is awarded Capital Fund Program (CFP) grants on a calendar year basis from HUD. The Housing Commission is required to obligate each of the CFP grant years within two years of receiving the award and is required to expend those funds within four years. The following CFP grant years were expended and recognized as revenue and / or capital contributions during the year:

CFP Grant	A	mount
Year	E	<u>xpended</u>
2017	<u>\$</u>	96,167

#### NOTE D: RESTATEMENTS / PRIOR PERIOD ADJUSTMENTS

During the year ended June 30, 2020, a restatement in the amount of \$7,253 was necessary to properly account for the overstatement of capital assets. The restatement had the following effect on beginning net position:

Beginning net position, as previously stated	\$	2,051,307
Adjustment for capital assets		(7,253)
Beginning net position, as restated	<u>\$</u>	2,044,054

#### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners Traverse City Housing Commission Traverse City, MI

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the *Traverse City Housing Commission*, a component unit of the City of Traverse City, Michigan as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the *Traverse City Housing Commission's* basic financial statements and have issued our report thereon dated November 25, 2020.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the *Traverse City Housing Commission's* internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the *Traverse City Housing Commission's* internal control. Accordingly, we do not express an opinion on the effectiveness of the *Traverse City Housing Commission's* internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the *Traverse City Housing Commission's* financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners Traverse City Housing Commission Traverse City, Michigan

#### **Report on Compliance for Each Major Federal Program**

We have audited the *Traverse City Housing Commission's* compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the *Traverse City Housing Commission's* major federal programs for the year ended June 30, 2020. The *Traverse City Housing Commission's* major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the *Traverse City Housing Commission's* major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the *Traverse City Housing Commission's* compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the *Traverse City Housing Commission's* compliance.

#### **Opinion on Each Major Federal Program**

In our opinion, the *Traverse City Housing Commission* complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

#### **Report on Internal Control over Compliance**

Management of the *Traverse City Housing Commission* is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the *Traverse City Housing Commission's* internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the *Traverse City Housing Commission's* internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance of the type of compliance of the type of compliance of the type of deficiencies, in internal control over compliance is a deficiency of the type of compliance of the type of deficiencies, in internal control over compliance is a deficiency of the type of the type of deficiencies, in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Note 1 - Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the *Traverse City Housing Commission* under programs of the federal government for the year ended June 30, 2020. The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the *Traverse City Housing Commission*, it is not intended to and does not present the financial position, changes in net position or cash flows of the *Traverse City Housing Commission*.

#### Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

For purposes of charging indirect costs to federal awards, the *Traverse City Housing Commission* has elected not to use the 10 percent de minimis cost rate as permitted by 2 CFR section 200.414 of the Uniform Guidance.

#### Note 3 - Subrecipients

None of the federal expenditures presented in the Schedule were provided to subrecipients.
